Dear Parents/ Carers

Wider Curriculum - Permission Letter

Swanshurst School offers a wide variety of after school clubs. These clubs focus on engaging all pupils in interesting activities that widen and enrich their curriculum and experience within school.

Please find the link below that demonstrates all our exciting opportunities:

<https://www.swanshurst.org/wider-curriculum/2083.html>

Our clubs are open to all pupils of all abilities and SEND pupils will be supported by staff who know them and their unique needs. We will scaffold all activities to allow all to access the opportunities we are offering.

The clubs will focus on fun engaging topics to stimulate the minds of our pupils and allow them to develop important new skills. We hope this will further foster a love of learning and increase pupils' opportunities to challenge themselves; something we hold at the heart of Swanshurst School's curriculum.

All our clubs will help to expand on our 'pledge' to our students, which centres around the 'Swanshurst Values' that all our students are:

Kind and Respectful, Resilient, Creative, Independent, Aspirational, Reflective and Confident Communicators

We implement the school reward system of Recognition Points and allow lots of opportunity for praise in the sessions, as well as students receiving 'Swanshurst Oscars' for their commitment to their wider curriculum.

If you agree to your child taking part in an after-school club, please complete the Microsoft Form below by either clicking on the link, or using the QR code and indicate which club your child would like to attend:
